

### **Woodleigh Federation statement of intent regarding PE expenditure for 2017-18**

In our Federation of schools, we believe PE and sports contribute to our pupils' wellbeing and social development, working together co-operatively and as part of a team, but most importantly to their physical development. It is our belief that the skills they acquire in primary school should be skills for life and we endeavour to develop a love of sports throughout the children's time in our schools.

In all 3 schools PE and sports play an important role in the curriculum and we encourage all our pupils to participate in a variety of sports. Through our PE curriculum children have the opportunity to experience and gain skills in individual and team sports.

Through our learning community we participate in swimming galas, tag rugby, football, netball and cricket tournaments as well as dance and athletics festivals. Other competitive CLC tournaments held during the year are a Swimming Gala at Crediton Leisure Centre, Cross Country at Newton St. Cyres, Gymnastics at Landscore and Tag Rugby at Cheriton Fitzpaine.

In March 2018 there will be a Musical/Dance performance held at the Great Hall, Exeter University, whereby all schools participate. Each school holds a successful Sports Day during the summer term.

Through joint Federation residential visits to Grenville House, Brixham, and Heatree, Dartmoor Devon our Years 5 and 6 children are able to take part in outdoor and adventurous challenges such as caving, abseiling, canoeing, kayaking and raft building.

The children also participate during the year, in Forest Schools, which teaches them basic survival life skills as well as exploring the outdoors and finding out about our wildlife.

The schools also participate in an 8 week cricket programme through Sandford Cricket Club based just outside Crediton culminating in a cricket tournament held at the cricket club in July. Sandford C.C employ an overseas player who comes into our schools to teach cricket skills to our KS2 pupils. We also have coaching opportunities from Exeter Chiefs and Crediton Rugby club (Tag rugby for upper KS2 pupils) as well as Football coaching from West Exe Football, which is excellent CPD for teachers and support staff as well as for the pupils taking part.

These links in addition to after school and lunchtime provision provide our children with opportunities to meet, work alongside and learn from professional sports people.

Each school have Playleaders who help organise activities at lunchtimes. Some of our TAs have also trained in the Funfit programme which they run for those children who need help in refining their fine and gross motor skills.

.For the Woodleigh Federation this means approximately £24,000 of funding for each academic year and we intend to spend it:-
